ISLAND PUBLIC SCHOOL – Silent Auction Request

Much of the funding for extra-curricular activities, supplies for the library and music programs, athletic equipment and special performance for the students at Island Public School comes from the Island Public School's Parent Council. Our annual BBQ and Silent Auction is our primary fundraiser event of the year. We hope you are able to support our efforts by donating an item(s) to our silent auction being held on June 5th at Ward's Island Clubhouse.

With your support of an auction item(s), we will provide you with the following benefits:

- ✓ **Promotion of your business and donated item on website** (received before June 2nd)
- ✓ **Name recognition** on the printed bid sheets
- ✓ Opportunity to **showcase your community support**

THANK YOU FOR YOUR SUPPORT!
